PROFILE.

Motion and graphic designer with **7+** years developing visual identities and translating them into motion: films, social content, visualisers and 3D. Campaign work has reached audiences in the tens of millions, from a major games studio's global marketing campaign to 3D product visualisation for packaging manufacturer Coveris. Works daily in After Effects, Blender and Figma, and designs and builds websites in Webflow. Comfortable working within a wider creative team, and used to delivering against fixed launch dates.

EXPERIENCE.

TJCREATE · MOTION & GRAPHIC DESIGNER (FREELANCE) · 2021 - PRESENT

CLIENTS INCLUDE: MOJANG STUDIOS · COURTNEY BARNETT · MARATHON ARTISTS · BRIGHTON DOME · ANALOGUE (LEEDS) · OPTIMA (LINCOLN) · NEW SOIL · WOMEN IN JAZZ

- Delivered motion graphics, campaign artwork and 3D for **40+** artists and brands, carrying each client's identity across films, social content, packaging and tour visuals.
- Held a multi-year retainer with Marathon Artists across a **30+** artist roster including Courtney Barnett, Jgrrey (Billie Eilish support) and Hot Wax (Royal Blood support); motion projects for Joshua Baraka have reached **20M+** views on YouTube.
- Created promotional films for the global marketing campaign of a major international games studio, via Analogue (Leeds); project under NDA, details available on request.
- Developed 3D product visualisation for global packaging manufacturer Coveris via Optima, modelled and lit in Blender; also design and build websites end-to-end in Webflow, including my own studio site.
- Managed projects end-to-end alongside creative directors, label executives and A&R teams, meeting fixed launch dates with complete briefs turned around within 24 hours where required.
- Integrate AI tools, including Claude, into production workflows to cut turnaround on repetitive tasks; the creative decisions stay mine.

MAHOGANY RECORDS · ARTIST, CREATIVE DIRECTION & DESIGN · 2018 - 2022

- Directed the creative and visual output of three commercial EP campaigns, from artwork and music video direction to full digital rollout, with releases amassing **25M+** streams worldwide, supported by editorial playlisting on Spotify and Apple Music.
- Secured coverage in Wonderland and House of Solo and airplay via BBC Introducing; toured Europe supporting Jack Savoretti and Dotan, recording at Abbey Road and RAK Studios.
- Session credits beyond my own releases include production, songwriting and vocals on tracks totalling **200M+** streams worldwide, with artists including Lil Xxel and Dax; a producer's ear for timing and rhythm that carries into motion.
- Experienced both sides of the brief, with first-hand insight into how brand strategy, visual identity and audience engagement perform at scale.
